

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO**

PAUL ARTHUR LOPEZ,

Applicant,

v.

No. CV 13-0694 WJ/RHS

JAMES FRAWNER, WARDEN,

Respondent.

MEMORANDUM OPINION AND ORDER OF DISMISSAL

This matter comes before the Court, *sua sponte* under rules 4 and 11 of the Rules Governing Section 2254 Cases, on Applicant's Application for a Writ of Habeas Corpus Pursuant to 28 U.S.C. § 2254. Also before the Court is Applicant's Prisoner's Motion and Affidavit for Leave to Proceed Pursuant to 28 U.S.C. § 1915 (Doc. 2). The Court will grant the motion and will dismiss the Application for lack of jurisdiction.

In a previous § 2254 proceeding, *Lopez v. Tapia*, No. CV 09-0218 JB/RLP, Applicant attacked the same state court criminal conviction that is the subject of this proceeding. *See Duhart v. Carlson*, 469 F.2d 471, 473 (10th Cir. 1972) (noting that court may take judicial notice of its own records). In the earlier case, Petitioner asserted four claims of constitutional error in state court criminal proceedings. The Court dismissed the petition with prejudice, and the Court of Appeals for the Tenth Circuit denied a certificate of appealability and dismissed his appeal. Petitioner now brings a new § 2254 petition raising two claims of constitutional error in the state court proceeding. He also asserts error in state court habeas corpus proceedings.

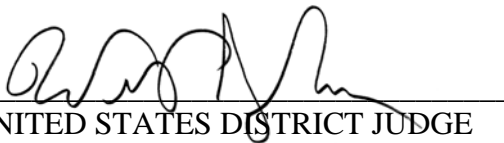

"When a second or successive § 2254 or § 2255 claim is filed in the district court without the required authorization from this court, the district court may transfer the matter to [the court of

appeals] if it determines it is in the interest of justice to do so under § 1631, or it may dismiss the motion or petition for lack of jurisdiction.” *In re Cline*, 531 F.3d 1249, 1252 (10th Cir. 2008); *see also Coleman v. United States*, 106 F.3d 339, 341 (10th Cir. 1997); 28 U.S.C. § 1631. The current petition is Petitioner’s second and is not accompanied by an authorizing order. Two of Petitioner’s claims are new substantive claims against his conviction. Therefore, according to the factors in *Cline*, the Court will dismiss Petitioner’s petition for lack of jurisdiction.

Furthermore, under rule 11 of the Rules Governing Section 2254 Cases, because Petitioner has failed to make a substantial showing of denial of a constitutional right, the Court will deny a certificate of appealability.

IT IS THEREFORE ORDERED that Applicant’s Prisoner’s Motion and Affidavit for Leave to Proceed Pursuant to 28 U.S.C. § 1915 (Doc. 2) is GRANTED, and he may proceed without prepayment of costs or other fees or the necessity of giving security therefor;

IT IS FURTHER ORDERED that Applicant’s Application for a Writ of Habeas Corpus Pursuant to 28 U.S.C. § 2254 is DISMISSED for lack of jurisdiction, a certificate of appealability is DENIED, and judgment will be entered.

UNITED STATES DISTRICT JUDGE
